**Rate Schedule IS-R  
RESIDENTIAL INTERRUPTIBLE SNOWMELT SERVICE**

**APPLICABILITY:**

Applicable to any new residential Customer using natural gas to melt snow and/or ice on sidewalks, driveways or any other similar appurtenances. Any and all such applications meeting the above criteria will be subject to service under Rate Schedule IS-R and will be separately and individually metered. All service hereunder is interruptible at the sole discretion of the Company.

**FACILITY REIMBURSEMENT CHARGE:**

All new interruptible Snowmelt service customers are required to pay for the cost of the Snowmelt meter set and other related facility and equipment costs, prior to the installation of the meter set. Any request to alter the physical location of the meter set and related facilities from Company's initial design may be granted provided, however, the Company can reasonably accommodate said relocation and Customer agrees to pay all related costs.

**RATE:**

Monthly minimum charge is the Customer Charge.

**For billing periods ending April through November**

Customer Charge – \$2.50 per bill

Commodity Charge – \$0.77549 per therm\*

**For billing periods ending December through March**

Customer Charge – \$6.50 per bill

Commodity Charge – \$0.77549 per therm\*

**\*Includes:**

Temporary purchased gas cost adjustment of \$(0.06675)

Weighted average cost of gas of \$0.49600

**PURCHASED GAS COST ADJUSTMENT:**

This tariff is subject to an adjustment for cost of purchased gas as provided for in the Company's Purchased Gas Cost Adjustment Provision.

**SERVICE CONDITIONS:**

1. All natural gas service hereunder is subject to the General Service Provisions of the Company's Tariff, of which this Rate Schedule is a part.

**Rate Schedule IS-R  
RESIDENTIAL INTERRUPTIBLE SNOW MELT SERVICE (Continued)**

2. Customer understands and expressly agrees that all service hereunder is considered a standby service and is subject to curtailment and/or interruption at the Company's sole discretion. Company reserves the right to manually or remotely turnoff the flow of natural gas to any and all meters and/or applicable boiler system receiving Interruptible Snowmelt Service hereunder when the Company determines that system conditions require such action.

3. Customer shall provide and Company shall have uninhibited access to any meter, on-off switches or other related equipment necessary to provide interruptible Snowmelt service hereunder.

4. Customer shall be responsible to provide Company with correct telephone or email contact information prior to the meter set and is responsible to immediately notify Company with any change to that contact information. Additionally, Customer is responsible to ensure that its preferred method of communication is in working order. Customer further agrees to indemnify Company against any and all damages resulting from Customer's failure to provide accurate contact information, working communication equipment or failure to accept such notification after Company has made reasonable efforts to make said notification.

5. Company will provide a minimum of two hours notification prior to interrupting Customer's Snowmelt application when, at the Company's sole discretion, interruption of service under Rate Schedule IS-R is imminent and will at the same time provide its best estimate of the duration of the interruption. Said notification will be made to Customer, or Customer's designated Agent, using the Customer's preferred method of communication either via telephone or email. Company will give subsequent notice when Rate Schedule IS-R Snowmelt service has been restored using Customer's preferred method of communication and, upon said restoration, Company will, if necessary, relight and/or recycle applicable Snowmelt equipment.

6. Company shall not be liable for damages that directly or indirectly occur as the result of interruption or restoration of service under Rate Schedule IS-R.

7. Any Customer operating Snowmelt equipment prior to the initial Commission approval of Rate Schedule IS-R may elect to receive Snowmelt service under Rate Schedule IS-R. Upon such election, Company will exempt Customer from the payment of the Rate Schedule IS-R Facility Reimbursement Charge provided, however, that any request to modify the placement of existing facilities or related equipment due to the physical location requirements of Customer shall be granted at the Company's sole discretion and at the Customer's expense.

8. For billing purposes, amounts billed for service hereunder will be combined with amounts billed for other gas service Customer receives from Company at the same premise or property address.

**Rate Schedule IS-C  
SMALL COMMERCIAL INTERRUPTIBLE SNOWMELT SERVICE**

**APPLICABILITY:**

Applicable to any new Customer otherwise eligible to receive gas service under Rate Schedule GS-1 and using natural gas to melt snow and/or ice on sidewalks, driveways or any other similar appurtenances. Any and all such applications meeting the above criteria will be subject to service under Rate Schedule IS-C and will be separately and individually metered. All service hereunder is interruptible at the sole discretion of the Company.
