RE: Notice of Agreement and Plan of Merger between Questar Corporation and Dominion Resources, Inc.

Dear Commissioners:

Questar Gas Company (Questar Gas) and Dominion Resources, Inc. (Dominion) respectfully submit this notice to the Idaho Public Utilities Commission (Commission) that on January 31, 2016, Questar Gas' parent, Questar Corporation, Dominion and Diamond Beehive Corp. Pursuant to the applicable statutes, rules and regulations in Wyoming, Questar and Dominion have filed a Joint Application for the approval of the Merger with the Wyoming Public Service Commission as well. The Wyoming Joint Application, testimony and exhibits are substantially similar to those filed in Utah.

Dominion is a strong and well-financed company that makes safety its highest priority. It has made commitments that will be of substantial value to the customers, employees, communities and states served by Questar Gas. Included are commitments that will assure that Questar Gas (which will be known as Dominion Questar Gas) remains a Utah-based company and that its operations will continue in the same manner. Dominion Questar Gas will continue its tradition of providing safe and reliable service at reasonable cost to its customers in Utah, Idaho and Wyoming. Regulation of Questar Gas will not be
