**Re: Regulatory Contract between the Idaho and Utah Commissions**

Dear Chairman LeVar:

Enclosed for your files is the executed Regulatory Services Contract between the Idaho and Utah Commissions. I have also included the Idaho Commission's Order finding that the contract is in the public interest. The Idaho Commission appreciates your Commission's willingness to regulate Questar Gas Company's operations in Franklin County, Idaho.

You also asked about the appropriate e-mail address for serving your orders and notices on the Idaho Commission. The Utah Commission may serve its orders and notices regarding its Questar proceedings by e-mail to: [secretary@puc.idaho.gov](mailto:secretary@puc.idaho.gov).

Once again thank you for your efforts in updating the Regulatory Services Contract between the two Commissions. If you have any questions, please contact me at (208) 334-0312.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald L. Howell, II".
