Comment_description: Dear Gentlemen,

My Company, Oregon Pacific & Eastern Railroad Company will file with the STB an "Intent to File an Offer of Financial Assistance" to purchase the subject line segment from the BNSF. This is a very important link to keeping and getting new business into the Coeur d' Alene area. With out this important link area shippers will have to go out of town for a very expensive re-load. We are also interested in putting in a small excursion train there.

Respectfully Submitted,

Robert W. Larson
