Dear Ms. Hall,

We received your letter dated November 9, 2010 regarding the Certificate of Public Convenience and Necessity (CPCN). You are correct that BLC Management, LLC dba Angles Communications Solutions is not providing local telephone communications services at this time. According to you letter we have the option to relinquish our CPCN voluntarily. You also indicated the revocation does not affect a company's ability to perform its non-retail business activities. As you requested, we will voluntarily relinquish our CPCN at this time. Once we start providing telephone communications services, we will request a new CPCN.

Sincerely,

A handwritten signature in black ink, appearing to be "T. Biddix", written over a horizontal line.

Thomas E. Biddix, Manager
