**DATE: APRIL 28, 2006**

**SUBJECT: CASE NO. CRD-T-06-1; APPLICATION OF CORDIA  
COMMUNICATIONS CORP. FOR APPROVAL OF A CERTIFICATE OF  
PUBLIC CONVENIENCE AND NECESSITY TO PROVIDE LOCAL  
SERVICE IN IDAHO**

On March 23, 2006, Cordia Communications Corp. ("Cordia") filed an Application for a Certificate of Public Convenience and Necessity with the Commission. In the Application, Cordia proposes to provide local and interexchange services in the geographic area currently served by Qwest Corporation.

Cordia is a Nevada corporation with a principal place of business in White Plains, NY. The Company submitted a certified copy of its Articles of Incorporation in the State of Nevada. In addition, the Company has a Certificate of Authority to conduct business in the State of Idaho issued by the Idaho Secretary of State on December 27, 2005. The Company has provided financial information, as well as the appropriate contact information for its registered agent for service of process within Idaho.

### STAFF RECOMMENDATION

Staff recommends that Cordia's Application be processed by Modified Procedure with a 21-day comment period. This should allow sufficient time for interested parties to review the Company's Application and file their comments with the Commission. Reference Commission Rules of Procedure, IDAPA 31.01.01.201-.204.

**COMMISSION DECISION**

Does the Commission preliminarily find that the public interest may not require a hearing to consider the issues presented in this case, and that this case is appropriate for Modified Procedure pursuant to Commission Rules of Procedure 201 through 204?

Does the Commission approve of a comment period of 21 days?
