**Re: Boise County Bd. of Commissioners v. Citizens Telecommunications Co.
of Idaho d/b/a Frontier, Case No. CTC-T-0201**
MTBR&F File No.: 15-881.0017

Dear Ms. Jewell:

Our firm represents Citizens Communications Company/Frontier with respect to the above-referenced complaint. Earlier in the week, I spoke with Weldon Stutzman and advised him that we would be seeking from Boise County a short extension to file our answer to the complaint. I have confirmed with the Boise County Prosecutor, Jay Rosenthal, that they have no problem granting us a two-week extension, or until August 2, 2002 to serve our answer.

If you have any questions, please do not hesitate to give me a call.

Very truly yours,

James L. Martin
