Qwest Corporation (Qwest) petitioned to intervene in this case on August 17, 2005, pursuant to Rules of Procedure 71 through 75 of the Idaho Public Utilities Commission, IDAPA 31.01.01.071-.075.

FINDINGS OF FACT

We find that no party timely opposed this Petition to Intervene.

We further find that based on the pleadings and other documents filed in this case, intervention by Qwest should be granted to the extent Qwest in fact has a direct and substantial interest in these proceedings and Qwest's participation does not unduly broaden the issues. See IDAPA 31.01.01.074. If it later appears that Qwest has no direct or substantial interest in the proceeding or that intervention is not in the public interest, the Commission may dismiss Qwest as an intervenor in the proceeding. *Id.*
