Application for Commission Determination of Qualified Broadband Equipment for the Year 2009

Pursuant to Commission Order No. 28784, in Case No. GNR-T-01-10, Citizens Telecommunications Company of Idaho submits the following information as an application for Commission determination that the subject installed broadband equipment qualifies for investment tax credit under Idaho Code § 63-3029I.

Name and address of applicant:

Citizens Telecommunications Company of Idaho
201 Lenora Street
McCall, ID 83638

Citizens Telecommunications Company of Idaho is a telecommunications carrier.

Questions and notification of action regarding this application should be addressed to:

Ingo Henningsen
Manager, Government & External Affairs
4064 Lisa Dr.
SLC, UT 84124-2118
(801) 274-3127

Area where equipment is installed in Idaho: Fairfield, Marsing, McCall, Cascade, Carey, Donnelly, Homedale, Parma, Riggins, Garden Valley, Whitebird, and Wilder.

Type of broadband service offered to the public: Asymmetrical Digital Subscriber Line (ADSL)

Network transmission rate: Up to 512Kbps send and 3 Mbps receive

Specific Equipment: See Attachment No.1

Installation dates: January 2009 – December 2009

Number and Percentage of customers: Broadband is now available to approximately 18,374 Frontier's Idaho customers. This is over 92% of the total customer base.

Certification Statement

I certify that I, Ingo Henningsen, have read the applicable statutes for broadband investment income tax credit and I believe that the subject broadband equipment qualifies for the tax credit under *Idaho Code* § 63-3029I.

Date: February 8, 2010
