COMMUNICATIONS OF AMERICA. )**

On January 27, 1997, the Commission issued Order No. 26775 granting Citizens Telecommunications Company dba Citizens Telecom (Citizens) a Certificate of Public Convenience and Necessity to provide Title 61 regulated telecommunications services, including basic local exchange services, within parts of the State of Idaho. Certificate No. 323 was subsequently issued on February 10, 1997.

On September 8, 2003, Citizens requested that the Commission change the corporate holder's name on Certificate No. 323 from Citizens Telecommunications Company to Frontier Communications of America. The Commission Staff recommended that the Commission approve this request.

Based on our review of the Application, we find that it is reasonable to amend Certificate of Public Convenience and Necessity No. 323 to reflect the change in name from Citizens Telecommunications Company to Frontier Communications of America. The Commission also finds it is reasonable to perform this administrative function without initiating a public hearing.

**ORDER**

IT IS HEREBY ORDERED that the corporate holder's name on Certificate of Public Convenience and Necessity No. 323 be amended to reflect the change in name from Citizens Telecommunications Company to Frontier Communications of America.

IT IS FURTHER ORDERED that Citizens modify its price lists, tariffs or other relevant documents to reflect the name change approved in this Order.

THIS IS A FINAL ORDER. Any person interested in this Order (or in issues finally decided by this Order) or in interlocutory Orders previously issued in this Case No. CTZ-T-03-1

may petition for reconsideration within twenty-one (21) days of the service date of this Order with regard to any matter decided in this Order or in interlocutory Orders previously issued in this Case No. CTZ-T-03-1. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. See *Idaho Code* §§ 61-626 and 62-619.

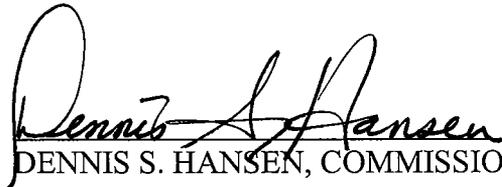

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 9<sup>th</sup> day of December 2003.
