On February 1, 2006, Larry Cromwell filed an Application for a Certificate of Public Convenience and Necessity with the Commission for his business, Digital Communication a.k.a. STAFF RECOMMENDATION

Staff recommends that Digi-Comm's Application be processed by Modified Procedure with a 21-day comment period. This should allow sufficient time for interested parties to review the Company's Application and file their comments with the Commission. Reference Commission Rules of Procedure, IDAPA 31.01.01.201-.204.

COMMISSION DECISION

Does the Commission preliminarily find that the public interest may not require a hearing to consider the issues presented in this case, and that this case is appropriate for Modified Procedure pursuant to Commission Rules of Procedure 201 through 204?

Does the Commission approve of a comment period of 21 days?
