Idaho Public Utilities Commission  
PO Box 83720  
Boise, ID 83720-0074

To Whom It May Concern:

I understand that Edge Wireless has applied for USF Funds so that they can build Cell towers in areas that normally would not get Cell towers and we happen to live and farm in one of these areas around Acequia and Minidoka Idaho. Will you please move Edge Wireless to the top of the list in Allocation of these tax funds that I and my fellow neighbors have been paying so that we can have coverage by Edge Wireless?

Sincerely,

Steven D Young
