IV.C. Technical Qualifications

- (a) Ernest is technically qualified to provide facilities-based services throughout Idaho. Ernest's primary market is residential and business customers. Ernest proposes to offer facilities-based local exchange telecommunications services to residential and business customers throughout the state using unbundled network element platforms ("UNE-P") or its equivalent. Local Exchange Services include basic local service, PBX Trunk service, Direct Inward Dialing, Optional Calling Features and listing services. Ernest will offer these services in conjunction with its interexchange toll services, which include inbound and outbound interexchange telecommunications services to residential and business customers, utilizing switched and dedicated access.
- (b) Ernest will offer services to its subscribers through purchase of unbundled network elements from the incumbent LEC, Qwest.

V. Customer Service

Ernest understands the importance of effective customer service for local service consumers. Ernest has a toll free customer service telephone number that is available with live operator response 24 hours per day, 7 days per week. Ernest's toll free telephone number for customer inquiries, complaints and repair is 1-800-456-8353. In addition, customers may contact the company in writing at the headquarters address.

The contact for resolution of customer complaints with the Commission is:
