D. USE OF SERVICE AND FACILITIES

1. Ownership and Use of Equipment

All equipment and lines furnished by the Company are the property of the Company unless otherwise specified. Company agents or employees shall have the right to enter Subscriber premises at any mutually agreed upon reasonable hour to install, maintain or remove, as appropriate, Company equipment.

The Company may refuse to install or maintain any service at locations that are hazardous to Company employees. If such service is furnished, the Subscriber may be required to install and maintain such service, holding the Company harmless from any claims for damage by reason of the installation and maintenance of this service.

2. Interconnection Policy

CPE may be used and Subscriber provided communication systems may be connected with the facilities furnished by the Company for telecommunications services subject to terms and conditions outlined in other parts of this Price List. In case any unauthorized attachment is made, the Company shall have the right to disconnect, suspend, or terminate the service.

3. Use of Subscriber Service

Subscriber telephone service is furnished only for the use by the Subscriber, his family and associates. The Company may refuse to install or permit such service to remain on premises of public or semi-public character.

The equipment may be installed, at such locations provided the service is located so it is not accessible for public use.

4. Tampering with Equipment

The Company may refuse to furnish telephone service when company equipment shows any evidence of tampering for the purpose of obtaining service without payment of charges applicable to the service rendered by the Company.

5. Use of Improper Language or Impersonation of Another

The Company may refuse service to anyone who uses or permits abusive or obscene language over Company facilities or impersonates another individual with fraudulent or malicious intent.

6. Indiscriminate Use of Facilities

The Company may refuse to furnish service or require upgrading of services provided to any Subscriber who allows indiscriminate use of Company facilities except in case of emergency.

E. ESTABLISHMENT AND FURNISHING OF SERVICE

1. Application for Service

Application for service must be made on the Company's standard form, which becomes a contract when accepted in writing by the Company or upon establishment of service. The person or entity submitting an application for service is hereafter referred to as "Applicant". The conditions of such contracts are subject to all provisions of this and other applicable Price Lists. Requests for additional service may be made orally, if provided in the original contract, and no advance payment will be required. A move within the exchange area is not considered to terminate the contract and orders for such may be made orally.

2. Telephone Numbers

The Company may change the telephone number or central office designation of a Subscriber whenever it is required WITH consent FROM THE SUBSCRIBER and 30 days advance written notice.

3. Alterations

The Subscriber agrees to notify the Company of any alterations that will necessitate changes in the Company's wiring; and the Subscriber agrees to pay the Company's current charges for such changes. The Subscriber can change the inside wiring up to the demarcation point.

H. MINIMUM CONTRACT PERIODS AND TERMINATION OF SERVICE

1. Minimum Contract Periods

Except as hereinafter provided, the minimum contract period for all services and facilities are one month at the same location.

The Company may require a minimum contract period longer than one month at the same location in connection with special (non-standard) types or arrangements of equipment, or for unusual construction necessary to meet special demands, and involving extra cost.

2. Termination Of Service

The Company shall comply with all applicable Commission rules relating to the denial, restriction and notification processes before denying, restricting or terminating a Subscriber's service. Specifically, the Company shall abide by Telephone Customer Relations Rules 301 through 314. IDAPA 31.41.01.301 – 314.

I. PAYMENT FOR SERVICE AND FACILITIES

The Subscriber shall pay for service and facilities monthly in advance, except all various units of government, and shall pay for Moves and Changes when billed. Failure to receive a bill does not relieve the Subscriber of the responsibility for payment in accordance with the provisions set forth herein.

All bills for service are due and payable at the office of the Company on or before the fifteenth (15th) day following the post marked date of the statement of the month in which the bill is rendered.

J. SPECIAL SERVICES AND FACILITIES

Special services and facilities not ordinarily used in the furnishing of telephone service and not otherwise provided for by the Price List schedules of the Company may be furnished or leased pursuant to special contract for such special service or facility for such period as may be agreed upon, provided such special service or facility or the use made thereof is not unlawful and does not interfere with the telephone service furnished by the Company. Special services are provided for each individual application as a custom-engineered system to satisfy and provide for the needs of that Subscriber. Applicable charges will be determined by the Company for each individual system. In

OBLIGATION OF COMPANY

1. Limitation of Obligation with Respect to Privacy Concerns

The Company shall be held harmless by the Subscriber in cases where the Subscriber's telephone number is transmitted via the Caller ID CLASS Feature to another Subscriber who subscribes to service, and the Subscriber has not blocked the transmission of his/her telephone number.

2. Obligation of the Subscriber

Under no circumstances should any Subscriber to the Caller ID Custom Calling Feature use telephone numbers delivered to him/her for purposes of marketing any service, or for the sale of the numbers to any interested party. Permitted uses of the number information received through the CID service include:

"billing and collection, routing, screening, and completion of the originating Subscriber's core transaction, or for services directly related to the originating Subscriber's call or transaction."

Caller ID information can be used only to market goods and services to existing Subscribers, and only to market goods and services to existing Subscribers that are directly related to those the existing Subscriber already uses.

Notification of illegal procedures having been given herein, the Company shall be held harmless by all parties in cases where Subscribers of the Company use this information in an unauthorized manner, as described above.
