---

On April 9, 2010, Clear Voice Telecom, Inc. requested that its Certificate of Public Convenience and Necessity (CPCN) No. 455 issued by the Commission on October 8, 2009, be withdrawn. Clear Voice stated it does not intend to operate as a competitive local exchange carrier within Idaho and requested the cancellation of all price lists and tariffs. In its Decision Meeting on April 19, 2010, the Commission approved Clear Voice's request for cancellation of Certificate No. 455.

**COMMISSION FINDINGS**

In June 2005, Extreme Media Technologies, Inc. dba XMT3 filed an Application with the Commission requesting authority to provide telecommunications services within the State of Idaho, and in March 2006, the Commission granted XMT3's Application for a CPCN. Order No. 29990.

In September 2009, XMT3 filed a request for name change to Clear Voice Telecom, Inc., and in October 2009, the Commission granted XMT3's request to change the name to Clear Voice Telecom, Inc. Order No. 30923.

On April 9, 2010, Clear Voice requested cancellation of its Certificate and stated that it is providing service only as a hosted VoIP provider, and thus its services do not fall within the jurisdiction of the Commission. Staff recommended the Commission cancel Certificate No. 455 and remove the Company's price list or tariff on file.

**ORDER**

IT IS HEREBY ORDERED that Clear Voice Telecom, Inc.'s request for cancellation of Certificate of Public Convenience and Necessity No. 455 is granted. Certificate No. 455 is no longer in effect, and Clear Voice is no longer authorized to provide telecommunications services in the State of Idaho.
