**SUBJECT: THE APPLICATION OF CALLCATCHERS INC. DBA
FREEDOMVOICE SYSTEMS, LLC FOR A CERTIFICATE OF PUBLIC
CONVENIENCE AND NECESSITY, CASE NO. FVS-T-16-01**

On June 24, 2016, Callcatchers Inc. dba FreedomVoice Systems, LLC filed an Application for a Certificate of Public Convenience and Necessity. The Company requested authority to provide resold interexchange services within the State of Idaho. After a preliminary review, Commission Staff determined that FreedomVoice Systems does not need a Certificate for the services that it plans to offer in Idaho. On August 30, 2016, the Company voluntarily withdrew its Application. Consequently, this case should now be closed.
