### REQUEST FOR PAYMENT OF ANNUAL REGULATORY FEES

This request is for **\$103.80** and must be paid on or before November 15, 2005. The amount is the total of the 2005 Annual Regulatory Assessment of \$50.00, the unpaid balance of \$51.50 from the 2004 assessment, and the related interest on the all unpaid balances of \$2.30.

The commission is required to charge interest of 6% per year on amounts past due. Because companies may elect to pay their Annual Regulatory Assessment in two parts, the first half was due on May 15, 2005 and the second half of their assessment is due on November 15th. The unpaid first half payment is subject to interest as well as the outstanding balance from last year. As of this date, our records show that your company has not paid either half of your assessment or the amounts past due.

If your company no longer conducts business in Idaho please have an officer of your company complete the certification at the bottom of this request. Should other circumstances have occurred that prevent payment of the Annual Regulatory Fee, please contact me.

Public Utilities Law provides for civil penalties up to \$2,000 per day for non-compliance with Idaho Law, commission orders and/or directives. To avoid further action please respond promptly to this request for payment.

Should you have any questions or comments, please e-mail me at david.hattaway@puc.Idaho.gov, mail me at P.O. Box 83720 Boise, ID 83720-0074, or contact me at (208) 334-0337.

Sincerely,

*V. David Hattaway*

David Hattaway  
Deputy Administrator.
