RE: Name Change Notification
Z-Tel Communications, Inc. to be known as Trinsic Communications, Inc.

Dear Ms. Jewell:

Please accept this original letter and three (3) copies as official notification that the name of the company Z-Tel Communications, Inc., will be changed to Trinsic Communications, Inc. effective January 1, 2005. Secretary of State documentation is attached reflecting the name change. This is only a name change and is not a result of merger/acquisition activity nor a change in control.

Enclosed please find the following tariffs:

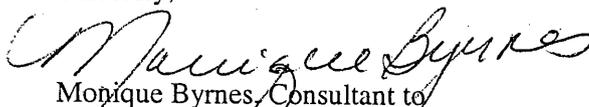

Trinsic Communications, Inc. Tariff No. 3 - replaces Z-Tel Communications, Inc. tariff number 1 for interexchange services.

Trinsic Communications, Inc. Tariff No. 4 - replaces Z-Tel Communications, Inc. tariff number 2 for local exchange services.

No changes have been made to the tariffs, except to reflect the company's new name, and to sequentially number the pages. In addition the company updates the Issued By name in the tariff footer as the person currently listed is no longer with the company. Lastly, the company modifies the name of its services from "Z-LineHOME or Z-LineBUSINESS" to "Trinsic" to reflect the product names under which the company will sell and bill.

Please acknowledge receipt of this filing by date stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided. Any questions you may have pertaining to this filing may be directed to me at (407) 740-8575 or via email at mbyrnes@tminc.com. Thank you for your assistance.

Sincerely,

Monique Byrnes, Consultant to
Z-Tel Communications, Inc.

Monique:

In general, this filing looks ok, and I have approved the Local Exchange Services tariff (No. 3) for filing. However, before I file the Access services tariff (No. 4), I wanted to confirm that you/your client wanted it filed. There is no requirement that the prices for access services be filed in Idaho. A company may file them, and if filed, they will be expected to abide by the terms and conditions as filed, but neither law or Commission order requires such a filing.

Please check with your client to verify whether they wish to file this price list. If they don't want to file it, we can simply cancel the existing Z-Tel tariff 2.

If they do wish to file it, the liability section 2.1.4, will need to be revised to include the exculpatory language clause. (2.1.4.J. in the Local Exchange Service tariff).

I also wanted to know if your client wants to change the name on the Certificate, or leave it as it is. Changing the name on the certificate should not be a problem, but it takes Commission action, so will take a few weeks to complete.
