AND NECESSITY NO. 389 TO REFLECT THAT )

COMMUNICATIONS, INC. )**

On July 9, 2001, the Commission issued Order No. 28766 granting Z-Tel Communications, Inc. (Z-Tel) a Certificate of Public Convenience and Necessity to provide basic local exchange and facilities-based local services within the State of Idaho. Certificate No. 389 was subsequently issued to Z-Tel on July 20, 1999. In December 2004, Z-Tel changed its name to Trinsic Communications, Inc. and was granted an Amended Certificate of Authority from the Idaho Secretary of State.

On December 20, 2004, Z-Tel requested that the Commission change the name on Certificate No. 389 to reflect that Z-Tel has changed its name to Trinsic. In its request Z-Tel stated that this was a name change only and not a result of merger/acquisition or a change in control. The Company also filed new price lists/tariffs with the request for name change. The Commission Staff recommended that the Commission approve this request and amend Certificate No. 389 to reflect the name change and transfer to Trinsic.

Based on our review of the Application, we find that it is reasonable to amend the Certificate of Public Convenience and Necessity No. 389 to reflect the change in name from Z-Tel Communications, Inc. to Trinsic Communications, Inc.
