RE: CHANGE OF NAME ON CERTIFICATE FROM Z-TEL TO TRINSIC;
CASE NO. GNR-T-00-39.

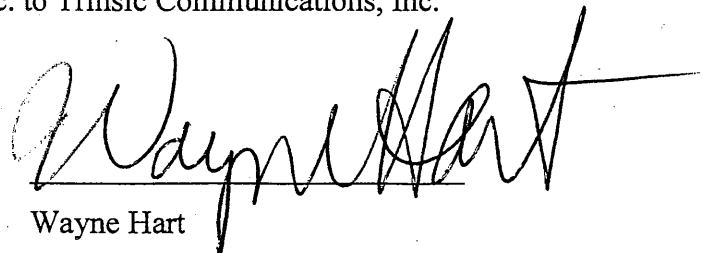

On December 20, 2004, the Commission received a notice from a representative of Z-Tel Communications, Inc. that the Company would be changing its name, effective January 1, 2005, to Trinsic Communications, Inc. The notice included documentation of the name change with the Idaho Secretary of State. The notice clarifies that "This is only a name change and is not a result of merger/acquisition activity or a change in control."

Also attached to the notice were two price lists or tariffs, which were to replace the two price lists currently on file under the name of Z-Tel Communications, Inc. (One price list is for local exchange service, and the other is for access services.) Staff has accepted both price lists for filing.

Upon further communication with the Company's representative, Staff clarified that the Company also desired to change the name on its Certificate. Z-Tel Communications, Inc currently holds a Certificate of Convenience and Necessity to provide competitive local exchange service, provided by the Commission in Case No. GNR-T-00-39. (Certificate No. 389.)

STAFF RECOMMENDATION

Staff recommends the Commission approve the Company's request to change the name on the certificate from Z-Tel Communications, Inc. to Trinsic Communications, Inc.
