**RE: CANCELLATION OF AMENDED CERTIFICATE NO. 389 IN CASE NO.
GNR-T-00-39 FOR TRINSIC COMMUNICATIONS, INCORPORATION.**

BACKGROUND

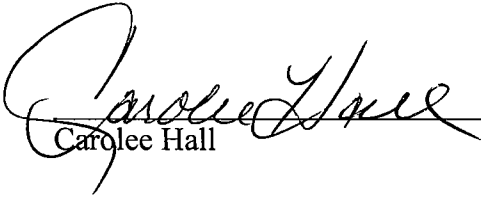

On July 9, 2001 the Commission issued Order No. 28766 granting Z-Tel Communications, Inc. (Z-Tel) a Certificate of Public Convenience and Necessity to provide basic local exchange and facilities-based services within the State of Idaho. Certificate No. 389 was subsequently issued to Z-Tel.

In December 2004, Z-Tel changed its name to Trinsic Communications, Inc. and was granted an Amended Certificate of Authority from the Idaho Secretary of State. On December 20, 2004, Z-Tel requested that the Commission change the name on Certificate No. 389 to reflect the name change. The Company also filed a new price list with the request for name change. The Commission Staff recommended that the Commission approve this request and an amended Certificate Order was issued. Order No. 29695.

On June 5, 2008, Trinsic filed a request to cancel its Authority to provide interexchange and local exchange services in Idaho. The Company filed bankruptcy in 2007 and has ceased operations within the state and asks that its price lists and Certificate No. 389 be withdrawn immediately. Because the Company has no customers, discontinuance of its certification will have no adverse impact upon consumers.

STAFF RECOMMENDATION

Staff has reviewed the request and agrees that there will be no customers impacted by the cancellation of this certificate and recommends approval. Does the Commission agree?
