RE: In the Matter of Tel West Communications, LLC withdrawal of its CLEC certification in the state of Idaho

Dear Ms. Jewell:

This letter is to inform the Idaho Public Utility Commission ("Commission") that Tel West Communications, LLC is seeking to withdraw its CLEC certification in the state of Idaho. Tel West Communications has no current customers in Idaho and has discontinued service with no future plans to provide service within the state. As Tel West Communications has no customers within the state, no customer notice or customer deposit refund was necessary. Any existing price sheet or tariff on file at the Commission should be pulled from public access.

Please contact me with any further information and communications at the following address: Sheri Hicks, Consultant for TelWest Communications, 4500 Bremner Drive, Austin, Texas 78749. Or you may contact me by telephone or email at 512-560-0415 or sheribh@earthlink.net.

Sincerely,

/s/ Sheri Hicks
