Re: iLOKA, Inc. d/b/a Microtech-tel
Voluntary withdrawal of Certificate of Public Convenience and Necessity to
Provide Resold and Facilities-Based Local Exchange telecommunications services
and intrastate telecommunications services within the State of Idaho

Dear Ms. Jewell:

On behalf of the company, I hereby respectfully request to cancel iLOKA, Inc. d/b/a Microtech-tel's (iLOKA) Certificate of Public Convenience and Necessity to Provide Resold and Facilities-Based Local Exchange telecommunications services (Docket No GNR-T-02-13) and intrastate telecommunications services. Please pull both tariffs out of your active files.

This request is based upon iLOKA's determination that it no longer intends to provide telecommunications services in the State of Idaho. Based upon the fact that iLOKA currently has no customers, iLOKA asserts that the voluntary discontinuance of its certification will have no adverse impact upon consumers.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self-addressed, postage prepaid envelope.

If you have any questions or if I may provide you with any additional information, please do not hesitate to call me.

Respectfully submitted,

Lance J.M. Steinhart
Attorney for iLOKA, Inc. d/b/a Microtech-tel
