RE: CANCELLATION OF BRIDGEBAND COMMUNICATION, INC.'S
CERTIFICATE 406.

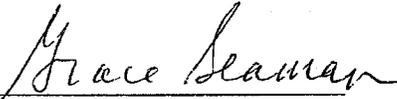

GNR-T-02-18

On January 6, 2002, the Commission approved BridgeBand Communication, Inc.'s (BridgeBand) CPCN Application and Certificate No. 406 was issued to the Company. On December 4, 2009, the Commission received a letter from BridgeBand stating that it will not be providing services in Idaho and requests that the Company be "removed from the Idaho PUC."

In a follow up conversation, Staff was advised that BridgeBand customers in Idaho are served by third-party telecommunications providers and will not be affected by the Company's withdrawal from the state. Staff, therefore, recommends that the Commission cancel Certificate No. 406.

Does the Commission agree?
