Ms. Jewell,

On July 27, 2009 Syringa Wireless customers and Cleartalk customers will be merging together. Syringa Wireless will be managing all customers in service, billing, processing payments, and etc. This includes continuing to offer Cleartalk ETC recipients their credits for monthly service.

To maintain these current ETC recipients Syringa Wireless has received a list of all current Cleartalk ETC recipients. We have also notified appropriate agencies of the new contact in regards to Cleartalk ETC recipients. If you have any questions or concerns please contact Jessica Pearson at 208-478-7464.

Thank you,

Mike Hunsaker
