**VCI COMPANY'S NOTICE OF WITHDRAWAL OF SERVICE AND
RELINQUISHMENT OF ETC DESIGNATION**

COMES NOW, VCI Company ("VCI"), and, pursuant to Idaho Code Section 62-612, files with the Idaho Public Utilities Commission ("Commission") this Notice of Withdrawal of Service and Relinquishment of ETC designation. In furtherance of its desire to cancel its service authority and relinquish its ETC designation, VCI provides the following information:

1. The Commission issued VCI a Certificate of Public Convenience and Necessity ("CPCN") to provide facilities-based and resold local exchange, intraLATA interexchange and exchange access services by Order No. 29584 in Case No. GNR-T-03-21 on September 3, 2004. The Commission's Order granted VCI the authority to provide service in the service areas of Qwest Corporation and Verizon.
2. The joint request of Qwest Corporation and VCI for approval of the adoption of an existing interconnection agreement was approved by the Commission on May 5, 2005, Case No. QWE-T-05-3. VCI did not enter into an interconnection agreement with Verizon.
3. VCI was designated an ETC by the Commission on January 13, 2005, by Order No. 29686 in Case No. VCI-T-04-1.
4. VCI never provided local exchange or interexchange service in Idaho and, because of changes in its business plan, will not serve Idaho in the future. VCI has no Idaho local exchange or interexchange customers and is not in possession of deposits or advance payments belonging to Idaho consumers. VCI never acted as an ETC in Idaho.
6. Because VCI has no customers and has never acted as an ETC in Idaho, VCI requests a waiver of the requirement in Idaho Code Section 62-612(2) to publish notice of its withdrawal in a legal newspaper circulated within its certificated local exchange service areas.
7. 47 USC Section 214(e) (4) provides that a carrier desiring to relinquish its ETC designation must notify a state commission of its intention to do so. 47 USC Section 214(e)(4) also provides that a state commission must permit a carrier to relinquish its ETC designation in an area where more than one carrier has been designated an ETC.

VCI is not the sole ETC designated in Qwest Corporation's service area. Thus, the Commission should permit VCI to relinquish its ETC designation.

8. VCI's withdrawal of service and relinquishment of its ETC designation will not adversely affect the public convenience and necessity.
9. Correspondence and communications regarding this Notice should be directed to:

Electronic mail: Vilaire@comcast.net

10. VCI requests the Commission to issue an order cancelling its CPCN and tariff and permitting the company to relinquish its ETC designation.

Dated this 11 day of November 2008.
