On April 13, 2007, the Commission received a notice from Regal Diversified, Inc. dba Regal Telephone Company requesting immediate cancellation of its Certificate of Public Convenience and Necessity No. 417 and withdrawal of all tariffs on file with the Commission. The Company stated it is no longer in operation and has no customers in Idaho. In its Decision Meeting on May 21, 2007, the Commission determined to approve Regal's request for cancellation of Certificate No. 417.

COMMISSION FINDINGS

In June 2003, Regal filed an Application with the Commission requesting authority to provide telecommunications services within the State of Idaho. In October 2003, the Commission granted Regal's Application for a CPCN to provide telecommunications services within Idaho. Order No. 29495.

On April 13, 2007, Regal notified the Commission that its request to cancel its Certificate results from recent changes in its business arrangements in Idaho and that it does not provide local exchange services to any customers within the state. Staff recommended the Commission cancel Certificate No. 417 and remove the Company's tariff on file.
