)

On February 21, 2006, the Commission received a notice from Verizon Avenue Corp. that it was not providing and would no longer offer intrastate telecommunication services in Idaho, and requesting the cancellation of Certificate of Public Convenience and Necessity No. 428 (CPCN). In its Decision Meeting on March 1, 2006, the Commission determined to approve Verizon Avenue's request for cancellation of Certificate No. 428.

COMMISSION FINDINGS

In August 2003, Verizon Avenue Corp. filed an Application with the Commission requesting authority to provide telecommunications services within the entire State of Idaho. In May 2004, the Commission granted Verizon Avenue's Application for a CPCN to provide telecommunications services within Idaho. Order No. 29497.

On March 1, 2006, Verizon Avenue Corp. notified the Commission that it does not have any customers in Idaho and is no longer offering services in the state, and therefore requested cancellation of Certificate No. 428 and its price list. Staff recommended that the Commission cancel Certificate No. 428 and remove the Company's price list on file.

ORDER

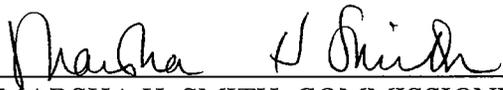

IT IS HEREBY ORDERED that Verizon Avenue Corp.'s request for cancellation of Certificate of Public Convenience and Necessity No. 428 is granted. Certificate No. 428 is no longer in effect, and Verizon Avenue Corp. is no longer authorized to provide service in the State of Idaho.

THIS IS A FINAL ORDER.
