RE: LPIC Changes
IPUC Order No. 29806

Dear Ms. Jewell:

CenturyTel of Idaho, Inc. and CenturyTel of the Gem State, Inc. ("CenturyTel") hereby request a waiver of the requirements in IPUC Order No. 29806 to revise LPIC charges in the companys intrastate tariffs to coincide with Federal Communications Commission (F.C.C.) required changes in its interstate tariffs. The F.C.C. released Order DA 05-2713 on October 14, 2005 that changed the date that the interstate tariffs were required to become effective from November 1, 2005 to January 1, 2006.

The Idaho order required that all incumbent local exchange carriers file Idaho tariffs to become effective at the same time as the federal tariffs but no later than October 17, 2005. CenturyTel requests that it be allowed to file LPIC changes in Idaho at the same time as it files its federal tariffs, on or before December 17, 2005.

Please direct any inquiries concerning this request to me at the above address, or contact me at (360) 905-7918 or by fax at (360) 905-7979.

Very truly yours,

Pamela Donovan
