Dear Mr. Dunbar

On October 17, 2005, the Idaho Public Utilities Commission reviewed the recommendation in your memorandum dated September 29, 2005. In that memo, both you and the Telecommunications Relay Service (TRS) Advisory Committee recommended awarding the TRS contract to Hamilton Telecommunications, Inc.

The Commission has approved your recommendation and asks that you begin negotiating with Hamilton to secure a contract before the current contract's expiration date of December 1, 2005.

The Commission commends you for your efforts and hopes to approve a final TRS contract as soon as possible.

Sincerely,

Grace Seaman  
Telecommunications Analyst
