This filing is made in compliance with the Federal Communication Commission's (FCC) Title 47: Telecommunication; Part 51-Interconnection; Subpart J-Transitional Access Service Pricing; §51.909 Transition of rate-of-return carrier access charges; Step 4.

Participating IREC carriers are required to have their intrastate terminating access rates in parity with interstate terminating access rates and as such the rates are required to match CAF ICC intrastate Tariff Rate Plan (TRP) that is filed with the Federal Communications Commission ("FCC").

FCC rules require National Exchange Carrier Association ("NECA") members companies to adjust their capped interstate switched access rates for July 1, 2015. NECA has informed its member companies that pool election changes for the upcoming tariff year will increase rates by 1.454 percent. NECA has modified its interstate switched access rate levels, intrastate switched access rate levels (for those companies with intrastate rates at parity with interstate rates), required end office element rate step-down, and switched access revenues. In accordance with FCC WC Docket No. 15-75, all supporting documentation sent to the FCC on behalf of NECA members will be provided to the Idaho Public Utilities Commission around June 15, 2015.

The changes for the July 1, 2015 intrastate access terminating rates are from each Company's "Intrastate Revenues (FCC TRP exhibit)" that are being filed separately through Cynthia Melillo. We understand that cooperative rates or service offerings are not subject to the Commission jurisdiction; however their rates are listed in this tariff for the convenience of the public and for informational purposes only.

Other than noted above, this filing will not increase any rate or charge, cause the withdrawal of service, or conflict with other schedules. The Company views these tariff changes as administrative because they are consistent with the FCC's rules.

It is requested that this filing become effective July 1, 2015.

Please call me at 209.955.6116 or email Eric.Votaw@mossadams.com if you have any questions about the content or Carol Bonell at 209.955.6194 for questions on the PDF filing.
