Section 1: Eligible Telecommunication Carrier Information

Date of ETC Annual Report: July 2, 2012

Company Name: Allied Wireless Communications Corporation ("Allied Wireless" or "Company"). Allied Wireless conducts business under the name "Alltel Wireless" in the state of Idaho.

Address: 1001 Technology Drive, Little Rock, AR 72223.

Company Contact Person/Title: Rohan Ranaraja, Director – Regulatory Compliance
Telephone Number: (501) 448-1249
Email Address: rohanranaraja@awcc.com

Service Area Code (SAC): 479012

Number of Idaho Telephone Service Assistance Program (ITSAP) recipients: 122 as of 12/31/2011

(Use number from last report submitted to the ITSAP Administrator)

**Section 2: Description of Carrier's Local Usage Plan--
Competitive Eligible Telecommunications Carrier (CETC) Only**

ETC applicants must demonstrate that their usage plan is comparable to the ILEC(s) in the service areas for which it seeks designation. C.F.R. § 54.202(a)(4). Local Usage Plan may be a descriptive narrative of the carrier's basic usage plan or it may be a copy of ILEC(s) tariff sheets as filed with the Idaho Public Utilities Commission.

Description: Please see Exhibit 1 attached hereto. Each of the Rate Plans identified in Exhibit 1 include varying amounts of local usage, including unlimited local calling, and are within the scope of "comparability" as defined by the FCC in its March 17, 2005 Report and Order.

Section 3: Detailed Outage Information §54.209(a)(2)

Provide detailed information on any outage, as that term is defined in 47 C.F.R. § 4.5, of at least thirty (30) minutes in duration for each service area in which an ETC is designated for any facilities it owns, operates, leases or otherwise uses that potentially affect (a) at least ten percent of the end users served in a designated service area; or (b) a 9-1-1 special facility, as defined in 47 C.F.R. § 4.5(e). Specifically, the annual report must include information detailing: (a) the date and time of onset of the outage; (b) a brief description of the outage and its resolution; (c) the steps taken to prevent a similar situation in the future; and (f) the number of customers affected. Reporting period is July 1, 2010—June 30, 2011. See Order No. 29841, page 18.

Number of outages: 0

Additional outage information: Allied Wireless did not experience any network outages that met the above defined criteria between January 1, 2011 and December 31, 2011.

Section 4: Unfulfilled Service Requests §54.202(a)(1)(A)

Provide the number of requests for service from potential customers within the ETC's service area(s) that were unfulfilled in the previous year (July 1, 2010—June 30, 2011). The ETC shall also detail how it attempted to provide service to those potential customers. See Order No. 29841, page 19.

The number of unfulfilled service requests from potential customers within the ETC's service area: 0

Additional information: Allied Wireless did not receive any requests for service from potential customers within the ETC designated area that were not fulfilled between January 1, 2011 and December 31, 2011.

Section 5: Customer Complaints §54.209(a)(4)

Provide the number of complaints per 1,000 handsets or lines for the previous year (July 1, 2010—June 30, 2011).

The number of customer complaints per 1,000 handset or working access lines: 1.54

Additional information: Complaints consist of written complaints Allied Wireless received directly from its customers and complaints received indirectly from its customer via the FCC, ID PUC, the Better Business Bureau, the ID Attorney General or similar third party agency.

**Section 6: Service Quality and Consumer Protection Certification
§54.202(a)(3)**

Provide certification that the carrier is complying with applicable service quality standards and consumer protection rules.

Please see Exhibit 2 attached hereto.

**Section 7: Ability to Remain Functional in Emergencies Certification
§54.201(a)(2)**

ETCs must demonstrate that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to re-route traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.

Please see Exhibit 2 attached hereto.

Section 8: Federal USF High-Cost Support Certification §54.313, §54.314

Pursuant to FCC regulations, in order for ETCs to continue to receive federal USF, the Commission "must file an annual certification with the USAC and the [FCC] stating that all federal high-cost support provided to such carriers within that State will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended."

Please see Exhibit 2 attached hereto.

NOTE: See "Example A" *Affidavit of Business or Corporate Officer* for the above certification requirements.

Section 9: Two-Year Network Improvement Plan and Progress Report

The annual report must include a progress report on the carrier's two-year service quality improvement plan, including maps detailing its progress toward meeting the plan targets, an explanation of how much universal service support was received and how it was used to improve signal quality, coverage, or capacity, and an explanation regarding any network improvement targets that have not been fulfilled. This information shall be submitted at the wire center level. The annual report must also include an updated two-year network improvement plan indicating plans for future investment.

The information required herein will be provided by September 2, 2012.

CERTIFICATION BY ELIGIBLE TELECOMMUNICATIONS CARRIER
OF COMPLIANCE WITH SERVICE QUALITY AND CUSTOMER
PROTECTION, ABILITY TO REMAIN FUNCTIONAL IN EMERGENCIES,
AND USE OF FEDERAL HIGH-COST SUPPORT.

AFFIDAVIT OF BUSINESS OR CORPORATE OFFICER

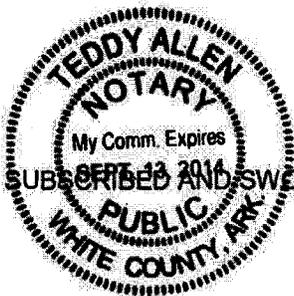

The Idaho Public Utilities Commission Order No. 29841 requires that Eligible Telecommunications Carriers certify that it is compliant with applicable service quality standards and consumer protection rules; and ETCs must demonstrate the ability to remain functional in emergencies. In addition, the Commission must file an annual certification with the USAC and the FCC that all federal high-cost support provided to ETCs within the State of Idaho will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. Accordingly, the undersigned states and verifies under oath the following:

1. I am an officer of Allied Wireless Communications Corporation, an eligible telecommunications carrier for receiving federal universal service support under section 214(e) of the Telecommunications Act of 1996 in the state of Idaho.
2. I am familiar with the Company's day-to-day operations in the state of Idaho and with the State's service quality standards and consumer protection rules as set forth in Commission Order No. 29841.
3. Allied Wireless Communications Corporation is complying with applicable service quality standards and consumer protection rules of the Federal Communications Commission and the Idaho Public Utilities Commission.
4. I certify to the Commission that the Company is able to remain functional in emergencies as set forth in Commission Order No. 29841 and in 47 C.F.R. § 54.201(a)(2).
5. I also certify that all federal universal service support funds received by Allied Wireless Communications Corporation during the current calendar year will be used in a manner consistent with section 254(e); that is, for the provision, maintenance, and upgrading of facilities and services for which the support is intended. The company will continue to comply for the period of January 1, 2012, through December 31, 2012, to be eligible for federal universal service fund support.
6. This verification and affidavit is provided to be the Idaho Public Utilities Commission to enable the IPUC to certify to the FCC that federal universal service support received by the eligible carriers in the state will be used in a manner consistent with Section 254(e) of the Telecommunications Act.
