Re: FCC High-Cost Universal Service Support - 47 CFR § 54.313(h) Annual Report for 2014

Dear Ms. Jewell:

Citizens Telecommunications Company of Idaho, Inc d/b/a Frontier Communications of Idaho hereby provides a copy of the attached information in compliance with 47 CFR § 54.313(h). This rule of the Federal Communications Commission (FCC) requires all incumbent local exchange carrier recipients of High-Cost Loop Support (HCLS) or High-Cost Model Support (HCMS)¹ to annually report their rates for residential local service, as well as state fees as defined pursuant to § 54.318(e), to the extent the sum of those rates and fees are below the rate floor as defined in § 54.318, and the number of lines for each rate specified. Pursuant to § 54.313(i), the reports must be filed with the FCC, the Universal Service Administrative Company (USAC), the relevant state commissions, and Tribal governments, as appropriate. The attached report was filed with the FCC on June 27, 2014.

Frontier Communications of the Northwest, Inc is not a recipient of HCLS or HCMS and therefore is not filing this report.

If you have any questions, please contact me at (916) 686-3588 or by email at joe.chicoine@fr.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Chicoine".

¹ Although the rule states that the requirement applies to "recipients of high-cost support," the FCC's Third Order on Reconsideration, released May 14, 2012, *Connect America Fund*, WC Docket No. 10-90 *et al.* (FCC 12-52) ¶¶ 15-16, clarified that the requirement applies specifically to recipients of High-Cost Loop Support and High-Cost Model Support.

Re: Frontier Communications Submission in Response to 47 C.F.R. § 54.313(h)

Dear Ms. Dortch:

Frontier Communications, hereby files the attached information in compliance with 47 CFR § 54.313(h). This rule of the Federal Communications Commission (FCC) requires all incumbent local exchange carrier recipients of High-Cost Loop Support (HCLS) or High-Cost Model Support (HCMS)¹ to annually report their rates for residential local service, as well as state fees as defined pursuant to § 54.318(e), to the extent the sum of those rates and fees are below the rate floor as defined in § 54.318, and the number of lines for each rate specified. In its most recent Order addressing the rate floor, the Commission directed incumbent ETCs to “report their rates to USAC to the extent that their rates plus state fees are below [\$20.46]”² though Section 54.313(b) of the Commission’s rules, which reduces support based on filed-rates below the rate floor, has been waived at this time.³

Pursuant to § 54.313(i), the reports are being filed with the FCC, the Universal Service Administrative Company (USAC), the relevant state commissions, and Tribal governments, as appropriate.

Please feel free to contact me with any further questions.

Sincerely,

/s/

Michael D. Saperstein, Jr.
