Name: Richard Kaylor  
Case Number: GNR-T-15-06  
Email: rkaylor@cableone.net  
Telephone: 2083623838  
Address: 7355 W Ring Perch Dr.  
Boise Idaho, 83709

Name of Utility Company: Century Link  
Acknowledge public record: True

Comment: I am opposed to having a geographic overlay for Idaho's new area code and requiring everyone to dial a ten digit number to call anyone in Idaho.

The new area code should be a geographical split. Everyone in the new area code would retain their current seven digit number and just the area code would change. There would be no conflict because none of the telephone numbers in the new area code have been assigned.

Unique Identifier: 159.118.126.155
