DEPUTY ATTORNEY GENERAL**

DATE: MARCH 30, 2017

**SUBJECT: REQUEST FOR PROPOSAL FOR TRS PROVIDER,
CASE NO. GNR-T-16-05**

Staff initiated this case in April 2016, to advise the Commission about the (then-pending) expiration of the Telecommunications Relay Service (TRS) Administrator's contract with Hamilton Telephone Company for TRS services; that contract expired December 1, 2016. Staff recommended that the Commission approve a 2016 request for proposal (RFP), per IDAPA 31.46.01.105, to secure a new TRS service provider contract. The Commission approved the 2016 RFP by consent on May 2, 2016. This matter can now be administratively closed.
