Re: Certificate of Public Convenience and Necessity Name Change

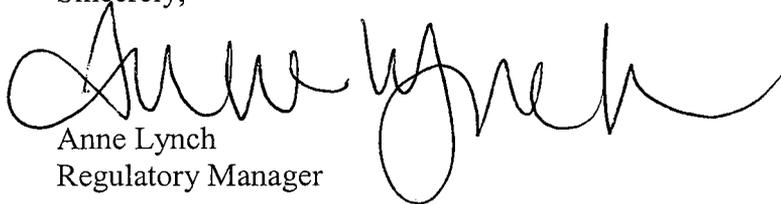

Dear Ms. Jewell:

Please accept this correspondence as a request to change the name of Sterling International funding, Inc. d/b/a RECONEX ("Sterling") to 1-800-RECONEX, Inc. ("Reconex")

On July 29, 1998, Sterling filed a request to change the name on its tariff; however, after my discussion with Ms. Birdell Brown, it came to my attention that the name change had not been requested for the Certificate of Public Convenience and Necessity; resulting in two companies being on file with the Commission – one under Sterling and one under Reconex. Therefore, this correspondence serves as a request to change the name Sterling International Funding, Inc. d/b/a Reconex to 1-800-RECONEX, Inc. on the Certificate of Public Convenience and Necessity issued in Order No. 28302, Case No. GNR-T-97-18.

If any further information is needed or if you have any questions, please do not hesitate to contact me at 503-982-5572 or anne.lynch@reconex.com.

Sincerely,

Anne Lynch
Regulatory Manager
