CASE NO. GNR-T-98-8

MINUTE ORDER

This case was opened in July 1998 to identify high cost service areas in the State where new Universal Service Fund (USF) support would be available to eligible telecommunications providers. *Idaho Code* § 62-610A-F. The designation of USF service areas was later accomplished in Case No. GNR-T-00-2. See Order No. 28820, Exh. 105, Attch. A. Accordingly, this case is not needed and can be and is hereby closed.

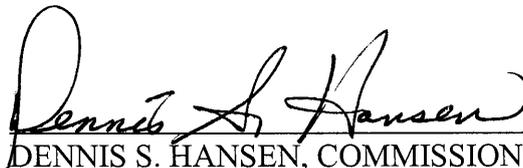

Dated at Boise, Idaho this 2nd day of February 2005.
