**FROM:** CAROLEE HALL

**DATE:** JULY 28, 2005

**RE:** ICG TELECOM GROUP, INC., CANCELLATION OF CERTIFICATE OF AUTHORITY NO. 356.

### BACKGROUND

On May 16, 2002, ICG Telecom Group, Inc., (ICG) filed an Application with the Commission to modify its certificate that was granted in Case Number GNR-T-98-9. In its amended application the Company asked that its service territory be expanded to the entire state.

On June 19, 2002, Staff filed comments in support of the Application and the Commission granted the Company's Application in Order No. 29070 amending the service territory in Certificate No. 356.

### DISCUSSION

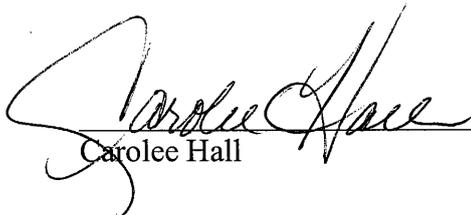

On July 21, 2005, the Company notified the Commission that it wishes to cancel its Certificate of Authority No. 356 effective immediately. The Company also wishes to cancel its interexchange (IXC) price list that is on file with the Commission. ICG states that the Company does not have any operations in Idaho and does not have any plans to begin operations in the future.

### STAFF RECOMMENDATION

Because the Company does not currently have any operations in Idaho and does not intend to begin any, Staff recommends that the Commission approve the cancellation of Certificate No. 356 and also remove the Company's IXC price list on file with the Commission.
