Dear Valued dPi Teleconnect Customer,

Over the next few months we will be changing our name and brand to Unity Telecom to introduce you to the next generation of Telecommunications and Entertainment services.

Our first change will occur with the new logo design seen above, which was created to emphasize our continuing enhancements in technology to provide you crystal clear home phone services along with some great other products and services. In the near future when you go to www.dpiteleconnect.com we will re-direct you to the new www.unitytelecom.com site so that you can see the new products and services that will be available to you.

The products, services and rates you currently have will not change in any way.

In addition, in the coming months we will be announcing some great new products and services to enhance your experience at a price you can afford with the new Unity Telecom.

Should you have any questions about the change, please call our customer support center at
