Re: Informational Filing Regarding Interconnection Agreement between  
Verizon Northwest Inc. and SBC Long Distance, LLC d/b/a SBC Long Distance  
d/b/a AT&T Long Distance

Verizon Northwest Inc. and SBC Long Distance, LLC d/b/a SBC Long Distance d/b/a  
AT&T Long Distance are parties to an interconnection agreement for Idaho (the  
"Interconnection Agreement").

SBC Long Distance, LLC recently adopted the interconnection agreement between  
Verizon New York Inc. and AT&T Communications of New York, Inc. in New York  
(the "Adopted Agreement"). The Adopted Agreement that SBC Long Distance, LLC  
adopted contains an amendment with detailed provisions relating to, among other things,  
a unitary rate for intercarrier compensation for certain types of traffic, as well as  
interconnection architecture arrangements (the "Unitary Rate Amendment"). The  
Adopted Agreement also contains an amendment with detailed provisions relating to,  
among other things, DS0 loop rates and resale discount rates (the "DS0 Loop/Resale  
Discount Amendment"). The foregoing Unitary Rate Amendment and DS0 Loop/Resale  
Discount Amendment to the Adopted Agreement each explicitly provides that the terms  
of such Amendment shall be applicable to SBC Long Distance, LLC, along with each of  
SBC Long Distance, LLC's CLEC affiliates, as well as to a carrier adopting such  
agreement (along with each of such adopting carrier's CLEC affiliates), in each case for  
purposes of all of its arrangements with Verizon operating telephone companies, in all  
Verizon service territories.<sup>1 2</sup>

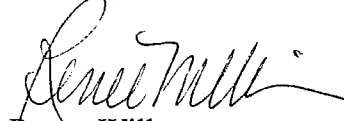

<sup>1</sup> See, e.g., the first paragraph of the Unitary Rate Amendment: "**THIS AMENDMENT** (this "Amendment"), effective as of August 1, 2006 (the "Effective Date") (the terms of which originally were effective as of November 1, 2004), amends each of the Interconnection Agreements (the "Interconnection Agreements") by and between each of the Verizon incumbent local exchange carrier ("ILEC") affiliates (individually and collectively "Verizon" or the "Verizon Parties") and each of the AT&T wireline competitive local exchange carrier ("CLEC") affiliates (individually and collectively "AT&T" or the "AT&T Parties"); Verizon and AT&T are referred to herein individually as a "Party" and collectively as the "Parties", but only to the extent the Interconnection Agreements referenced directly below were not already amended to address the same intercarrier compensation (including, without limitation, reciprocal compensation), interconnection architecture and related

Verizon is making this informational filing to keep the Idaho Public Utilities Commission fully informed of the applicable terms between the parties in Idaho.

to

**INTERCONNECTION AGREEMENTS**

**THIS AMENDMENT** (this "Amendment"), effective as of August 1, 2006 (the "Effective Date") (the terms of which originally were effective as of November 1, 2004), amends each of the Interconnection Agreements (the "Interconnection Agreements") by and between each of the Verizon incumbent local exchange carrier ("ILEC") affiliates (individually and collectively "Verizon" or the "Verizon Parties") and each of the AT&T wireline competitive local exchange carrier ("CLEC") affiliates (individually and collectively "AT&T" or the "AT&T Parties"; Verizon and AT&T are referred to herein individually as a "Party" and collectively as the "Parties"), but only to the extent the Interconnection Agreements referenced directly below were not already amended to address the same intercarrier compensation (including, without limitation, reciprocal compensation), interconnection architecture and related matters set forth herein. Attachment 1 hereto lists, to the best of the Parties' knowledge, the Interconnection Agreements in effect as of the Effective Date (the original listing having been of Interconnection Agreements in effect as of November 1, 2004). For the avoidance of any doubt, this Amendment shall also amend each new Interconnection Agreement or adoption in any Verizon ILEC service area in which the Parties did not have an Interconnection Agreement prior to August 1, 2006, provided that in such instances the "Effective Date" of this Amendment shall be the date on which such Interconnection Agreement or adoption becomes effective. The term "affiliates," as used in this Amendment, shall have the same meaning as under Rule 405 of the Rules promulgated pursuant to the Securities Act of 1933, as amended.

**WITNESSETH:**

**WHEREAS**, Verizon and AT&T are Parties to Interconnection Agreements under Sections 251 and 252 of the Act.

**WHEREAS**, the Parties wish to amend the Interconnection Agreements to reflect their agreements on certain intercarrier compensation (including, without limitation, reciprocal compensation), interconnection architecture and related matters, as set forth in Attachment 2 hereto.

**NOW, THEREFORE**, in consideration of the above recitals and the mutual promises and agreements set forth below, the receipt and sufficiency of which are expressly acknowledged, each of the Parties, on its own behalf and on behalf of its respective successors and assigns, hereby agrees as follows:

1. Amendments to Interconnection Agreements. The Parties agree that the terms and conditions set forth in Attachment 2 hereto shall govern the Parties' mutual rights and obligations with respect to the provisions set forth therein. For the avoidance of any doubt, modifications to the Interconnection Agreements (in effect as of the Effective Date or as of November 1, 2004 if an Interconnection Agreement was effective at that time) pursuant to Sections 3, 4 and 5 of Attachment 2 hereto shall apply with respect to traffic exchanged by the Parties that is covered by the next bill rendered, on or after the Effective Date, in the ordinary course by each Party for the affected categories of traffic, with respect to usage that is customarily and timely included in such bills, even if such traffic was actually exchanged on a date up to sixty (60) days prior to the Effective Date.
2. Conflict between this Amendment and the Interconnection Agreements. This Amendment shall be deemed to revise the terms and provisions of the Interconnection Agreements to the extent necessary to give effect to the terms and provisions of this Amendment. In the event of a conflict between the terms and provisions of this Amendment and the terms and provisions of any of the Interconnection Agreements, this Amendment shall govern; provided, however, that the fact that a term or provision appears in this Amendment but not in an Interconnection Agreement, or in an Interconnection Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.
3. Counterparts. This Amendment may be executed in counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.
4. Captions. The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or provision of this Amendment.
5. Joint Work Product. The Parties acknowledge that this Amendment is the joint work product of the Parties, that, for convenience, this Amendment has been drafted in final form by Verizon and that, accordingly, in the event of ambiguities in this Amendment, no inferences shall be drawn against either Party on the basis of authorship of this Amendment.
6. Scope of Amendment. This Amendment shall amend, modify and revise the Interconnection Agreements only to the extent set forth expressly in Section 1 of this Amendment, and, except to the extent set forth in Section 1 of this Amendment, the terms and provisions of the Interconnection Agreements shall remain in full force and effect after the Effective Date.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed and delivered by their duly authorized representatives under seal.
