The Applicant has no affiliates, subsidiaries or a parent company.

II. Statement of Proposed Services:

iNetworks Group Inc. is a reseller of telecommunications services with no pre-paid service offerings. The Applicant provides resold local exchange, interexchange, dedicated point-to-point private line service and dedicated Internet access to business customers only. The Company's voice product offerings include local dial tone, local calling features, bundled feature packages, 1+ outbound long and inbound toll free service. All services are offered over both switched and dedicated facilities including Intergraded Services Digital Network (ISDN). The Company's data product offerings provides bandwidth starting and T-1 (1.544 Mbps) and proceeds into the high speed optical carrier networks up to OC192. All operator services and access to 911 services will remain with the underlying carrier. The Company will not provide alternate operator services. The Company intends offer service throughout all exchanges currently served by it's underlying carriers of Citizen's, Qwest and Verizon. A map of the service territories is included as **EXHIBIT C**.

III. Statement of Public Interest

Grant of this Application will further the public interest by expanding the availability of competitive telecommunications services in the State of Idaho. In addition, intrastate offering of these services is in the public interest because the services will provide Idaho customers with access to new technologies and service choices, and can permit customers to achieve increased efficiencies resulting in cost savings. The public will benefit directly through use of competitive services, and indirectly, due to the Applicant's in this market will increase incentives for other telecommunications providers to operate more efficiently, offer more innovative services, reduce their prices, and improve their quality of services.

IV. Statement of Financial Ability

The Applicant possesses the requisite financial, managerial, and technical capacities to provide the proposed services. Attached as **EXHIBIT D** are the 2006 and 2007, as well as the 2008 statements for the Applicant for January to June. This exhibit is submitted in sealed envelope and filed pursuant to Idaho Code § 9-340D(1)(a)(b). iNetworks Group, Inc. is not a publicly traded company, as such, iNetworks Group, Inc. does not file financial statements with the SEC. The statements contain sensitive financial information, which iNetworks Group, Inc. protects from disclosure. This information is not generally available to those inside the Company without specific need-to-know, and the Company keeps it in a secure location to prevent inadvertent disclosure. This information has not been released previously. Public disclosure of the information would cause undue harm to iNetworks Group, Inc. and would prove detrimental to iNetworks Group, Inc.'s competitive position in the marketplace; and due to the sensitive nature of this information, it is appropriate for the Commission to limit access to the information. The confidential information is being provided for the sole use of the Commission in exercising

their respective governmental functions by examining the Application. There is no legitimate purpose to be served in disclosing this proprietary material to any person other than the appropriate reviewing staffs of the Commission.

V. Statement of Managerial Ability

The Applicant is providing as **EXHIBIT E** the biographies of the Principals who will have primary management responsibility for the Applicant's operations. These biographies demonstrate that Applicant possesses the requisite management and technical expertise to provide the telecommunications services for which it seeks authority.

VI. Tariff Filings

Attached hereto as **EXHIBIT F**, please find the Applicant's proposed Local Exchange Services Tariff. Also attached as **EXHIBIT G**, is the Applicants price list for Interexchange Services.
