IDAHO PUBLIC UTILITIES COMMISSION
Docket No. 102-7-08-01

APPLICATION OF ICS OF IDAHO, LLC

ICS of Idaho, LLC ("ICS" or "Applicant"), by its undersigned attorneys, and pursuant to *Idaho Code* Sections 61-526 through -528 and IDAPA 31.01.01.111 and 112, and Procedural Order No. 26665, hereby applies to the Idaho Public Utilities Commission ("Commission") for a Certificate of Public Convenience and Necessity to authorize ICS to provide facilities-based and resold competitive local exchange service in the State of Idaho. In support of its application, ICS provides the following:

I. PROPOSED SERVICES.

1. ICS seeks authority to provide facilities-based and resold local exchange telecommunications services to and from all points in the State of Idaho.

2. ICS intends to provide facilities-based and resold local exchange telecommunications services to business and residential customers. ICS will comply with all applicable Commission rules, regulations and standards, and will provide safe, reliable and high-quality telecommunications services in Idaho. Offering traditional voice services to customer utilizing the public switched network, Applicant will use Internet Protocol (IP) technology to provide voice and data applications that interact seamlessly with the traditional public switched network. All service features identified in the Applicant's proposed price list can be accessed by

a customer's standard telephone equipment; however, customers have the option of accessing additional IP functionalities through an IP "smart phone." Applicant will continuously monitor and maintain a high level of control over its network on a 24-hours-a-day, 7-days-a-week basis.

3. ICS is currently in the process of developing its marketing strategy for the State of Idaho. ICS will utilize a professionally-trained sales force to market its services and will comply with all Commission rules and regulations in marketing its services in the State of Idaho.

II. FORM OF BUSINESS

1. ICS is a wholly-owned subsidiary of Intelligent Community Services, Inc., a competitive provider of local and long distance telecommunications services in Oregon and Washington.

2. ICS is a limited liability company organized under the laws of the State of Idaho.

3. Applicant maintains its principal place of business at:

9400 SW Beaverton-Hillsdale Hwy.
Suite 205
Beaverton, Oregon, 97005
Phone: (503) 972-7800
Fax: (503) 972-9850

ICS does not have a principal business address in Idaho.

4. A certified copy of ICS's Articles of Organization is attached hereto as **Exhibit**

A.

5. The name and address of ICS's registered agent for service in Idaho is:

Record Search and Information Services, Inc.
5527 Kendall Street
Boise, Idaho, 83706

6. The sole member of ICS is Intelligent Community Services, Inc. Intelligent Community Services, Inc.'s address is 9400 SW Beaverton-Hillsdale Highway, Suite 205, Beaverton, Oregon, 97005.

7. The managing member of ICS is Harold Grover. The officers and directors of ICS' parent, Intelligent Community Services, Inc. are:

Harold Grover	President	Director
Brad Baker	Vice President	Director
Jeff Tilleman	Vice President	Director
Greg Matthews	Vice President	Director
Tracy Cork		Director
Bruce Olsson		Director

8. ICS is a wholly-owned subsidiary of Intelligent Community Services, Inc.

9. ICS has no subsidiaries.

10. Correspondence pertaining to this Application should be directed to ICS's counsel:

III. TELECOMMUNICATIONS SERVICE

1. ICS intends to begin providing service in Idaho shortly after it obtains authorization to do so and has entered into the appropriate interconnection and services arrangements with Qwest Corporation (“Qwest”) and/or Verizon Northwest (“Verizon”).

2. ICS proposes to provide resold and facilities-based local exchange telecommunications services to both business and residential customers in the State of Idaho.

IV. SERVICE TERRITORY

1. ICS intends to provide service throughout the State of Idaho. ICS intends to provide service in the areas served by Qwest and Verizon and does not plan to provide service in areas of any small or rural local exchange carriers; however, ICS seeks statewide authority so that it may expand into other service areas as market conditions warrant and as additional service areas become open to competition.

2. ICS will offer basic local exchange services and custom calling features to business and residential customers. ICS anticipates that it will offer facilities-based local exchange service via commercial wholesale agreements with incumbents. ICS, however, seeks the full range of resold and facilities-based local exchange authority so that it can have the flexibility in provisioning its services in the future.

3. ICS will compete directly with Qwest and Verizon for the provision of local exchange telecommunications services.

4. ICS does not currently own facilities or property in Idaho.

V. FINANCIAL INFORMATION

Financial statements provided in support of this application are those of the parent company, Intelligent Community Services, Inc. The current and previous fiscal years' detailed balance sheets and income statements are provided *under seal* as **Exhibit B**.

The Applicant's parent company has proven financially capable of providing service in the State of Oregon since 2005, and has been granted CLEC certification in Oregon and Washington. The Applicant has available sufficient capital to fulfill any obligations it may undertake with respect to its operations and the services it proposes to offer. ICS is financially qualified to operate within the State of Idaho.

VI. "ILLUSTRATIVE" TARIFF FILINGS

ICS's proposed initial price list is attached as **Exhibit C**.

VII. CUSTOMER CONTACTS

VIII. INTERCONNECTION AGREEMENTS

ICS is in the process of negotiating an interconnection agreements with Verizon and Qwest, which agreements, when finalized, will be filed with the Commission for its approval.

IX. COMPLIANCE WITH COMMISSION RULES

Attached hereto is a sworn verification executed by Applicant stating that the Applicant agrees to comply with all applicable Idaho laws and Commission rules and regulations.

X. ESCROW ACCOUNT OR SECURITY BOND

Applicant does not intend to collect advanced deposits from customers. Should ICS decide to require advance deposits from its customers, it will promptly arrange for an escrow account with a bonded escrow agent in accordance with the Commission rules. ICS will comply with all applicable Idaho laws and Commission rules and regulations regarding advance customer deposits. Should ICS decide to require advance deposits, ICS will file a copy of its escrow agreement upon the Commission's request.

IX. CONCLUSION

As demonstrated by this Application and pursuant to Idaho Code §§ 61-526-528, IDAPA 31.01.01.111 and 112, and Procedural Order No. 26665, ICS's expertise in the telecommunications sector will permit it to select the most economic and efficient services, thereby providing customers with an excellent combination of price, quality and customer services. Accordingly, ICS anticipates that its proposed service will increase consumer choice of

innovative and reliable service offerings. The provision of more affordable and available local telecommunications services will promote the health, welfare and economic well-being of the citizens of Idaho. ICS respectfully submits that the public interest, convenience and necessity would be furthered by a grant of this Application for the authority to provide all types of facilities-based and resold local telecommunications services.

WHEREFORE, ICS of Idaho, LLC respectfully requests that the Idaho Public Utilities Commission issue a Certificate of Public Convenience and Necessity authorizing ICS to provide resold and facilities-based local exchange telecommunications services within the State of Idaho.

Respectfully Submitted,
