Attn: David Hattaway, Deputy Administrator

Dear Mr. Hattaway,

Please be advised that ICS of Idaho LLC has ceased all operations and is out of business. In fact, ICS of Idaho LLC never delivered services in Idaho and has been closed since 2008, a result of the housing collapse.

Please stop sending notices and other mailings. Plus, there are no funds to pay to pay the attached assessment which under the circumstance is unwarranted.

Please delete ICS of Idaho from your list of service providers.

Thank you for your cooperation.

Regards,

Harold Grover
