On April 29, 2014, the Commission received a request from Intelepeer, Inc. to change the name on Certificate No. 493 from Intelepeer, Inc. to its new name, Airus, Inc. In May 2010, the Commission issued Order No. 31074 and Certificate No. 493 authorizing Intelepeer to provide local exchange and interexchange telecommunications services in Idaho. The Company states this request is not related to any changes to the corporate organization or ownership, nor does it affect the rates or terms and conditions of its services. The Company filed a copy of the Secretary of State's Amended Certificate of Authority and revised tariffs with the new name.

Based on its review of the Application, the Commission finds it appropriate to amend Certificate of Public Convenience and Necessity No. 493 to reflect the change from Intelepeer, Inc. to Airus, Inc.

ORDER

IT IS HEREBY ORDERED that Certificate of Public Convenience and Necessity No. 493 is amended to reflect the name change from Intelepeer, Inc. to Airus, Inc.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date of this Order with regard to any matter decided in this Order in Case No. IPI-T-09-01. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. See *Idaho Code* §§ 61-626 and 62-619.
