RE: Stateside Communications' Application for Certificate of Authority to Provide
Telecommunications Service in Idaho

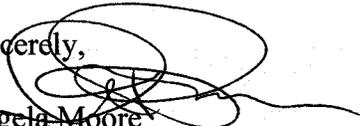

Dear Commission,

Thank you for allowing Jilapuhn Inc. d/b/a **Stateside Communications** this opportunity to apply for CLEC service, in Idaho. We promise to abide by the policies and regulations required by the Commission and State at all times.

Stateside Communications is seeking the permission of the Idaho Public Utility Commission for operation as a Competitive Local Exchange Carrier (CLEC) statewide. And to offer an unregulated service, Voice over Internet Protocols (VoIP) statewide. Stateside Communications has CLEC certification in three other states, Texas, Georgia, & Colorado, and has submitted applications in four other states, Oregon, Louisiana, Kentucky, & Ohio. Our goal for operation in Idaho is to be able to provide a quality, competitive, reduced cost service that meets the customer's needs and offers an option to what is currently available. Stateside is seeking a good and long-term relationship with Idaho's Public Utility Commission, Secretary of State, Department of Revenue, and residents and businesses in the State of Idaho.

Your permission granted will be respected and cherished. Thank you for this opportunity to apply for our CLEC certification, in Idaho.

Sincerely,

Angela Moore
Director
Stateside Communications
