**RE: Withdraw of Application for Jilapuhn Inc. d/b/a Stateside Communications Case # JII-T-10-01**

Dear Ms. Hall,

I am requesting that Jilapuhn Inc. d/b/a Stateside Communications application for Competitive Local Exchange Carrier (CLEC) Certificate of Public Convenience and Necessity (CPCN), filed April 9, 2010, be withdrawn.

Stateside Communications is a non-regulated service provider of Voice over Internet Protocol (VoIP), and wireless services. We will be offering those services to Idaho businesses and residents, but have been advised that a CPCN certificate is not necessary to offer our services, in Idaho. We will abide by the Commissioners rules in all services we offer.

Thank you for your assistance in this matter.

Sincerely,

Angela Moore  
Director  
Stateside Communications
