SECTION 1 – REGULATIONS (CONT'D)

1.5 Liability of the Company (cont'd)

1.5.7 With Respect to Directory Listings (cont'd)

- (iv) **Credit limitation:** The total amount of the credit provided for the preceding paragraphs (i) and (ii) shall not exceed, on a monthly basis the total of the charges for each charge listing as specified in paragraph (ii), for the line or lines in question.
- (v) **Definitions:** As used in paragraphs (i), (ii) and (iii) above, the terms "error," "mistake," or "omission" shall refer to a discrepancy in the directory listing or directory assistance records which the Company has failed to correct and where the error affects the ability to locate a particular subscriber's correct telephone number. The terms shall refer to addresses only to the extent that an error, mistake or omission of an address places the subscriber on a street or a community different from the one provided to the Company.
- (vi) **Notice:** Such allowances or credits as specified in paragraphs (i) and (ii) above, shall be given upon notice to the Company by the subscriber that such error, mistake or omission has occurred; provided, however, that when it is administratively feasible for the Company to have knowledge of such error, mistake or omission, the Company shall give credit without the requirement of notification by the subscribers.

1.5.8 With Respect to Caller ID Blocking

- A The Company shall have no liability for monetary damages (including without limitation claims for direct, indirect, special, incidental or consequential damages, whether or not the Company has been advised of the possibility of such damages), arising from any failures, errors, malfunctions or omissions of Caller ID Blocking, whether or not arising from or relating to any ordinary negligence by the Company.

1.5.9 Exculpatory Clause

- A The included Tariff language does not constitute a determination by the Commission that a limitation of liability imposed by the Company should be upheld in a court of law. Acceptance for filing by the Commission recognizes that it is a court's responsibility to adjudicate negligence and consequential damage claims. It is also the court's responsibility to determine the validity of the exculpatory clause.
