On May 8, 2007, the Commission issued Order No. 30312, Certificate No. 468, granting Matrix Telecom, Inc. a Certificate of Public Convenience and Necessity to provide local exchange and interexchange services within the State of Idaho.

On September 26, 2008, Matrix requested the Commission to revise Certificate No. 468 to include its new business acquisitions. Matrix requests that its name be changed to Matrix Telecom, Inc. dba Matrix Business Technologies dba Trinsic Communications. Matrix provided a Certificate of Authority and Certificates of Assumed Business Name from the Idaho Secretary of State. The Company states that business customers will be billed under Matrix Business Technologies and its residential customers will be billed under Trinsic Communications. Matrix states that its customers have been notified of the change.

Based on our review of the Application, we find that it is reasonable to amend Certificate of Public Convenience and Necessity No. 468 to reflect the change from Matrix Telecom, Inc. to Matrix Telecom, Inc. dba Matrix Business Technologies dba Trinsic Communications.
