TRANSMISSION SERVICES)

On January 8, 1998, the Commission issued Certificate of Public Convenience and Necessity No. 337 (“CPCN No. 337”) to MCImetro Access Transmission Services, Inc. The Certificate was amended on August 18, 2003, when the Commission approved a name change to MCImetro Access Transmission Services, LLC (“Metro” or “Company”).

On January 11, 2006, Metro notified the Commission that it seeks a name change to provide a means for the smooth integration of the purchase of Metro by Verizon and desires to change the name on its CPCN No. 337 to MCImetro Access Transmission Services, LLC dba Verizon Access Transmission Services. There were no changes to management, operations or the costs and types of services offered to the public as a result of the restructure. Metro submitted a revised tariff reflecting the name change, and requested the Commission to change the name on the Company’s Certificate. The Company provided a copy of its Certificate of Assumed Business Name by the Idaho Secretary of State reflecting the name change. At the January 24, 2006 decision meeting, Staff recommended and the Commission approved the request for the name change.

Based on our review of the Application, we find that it is reasonable to amend Certificate of Public Convenience and Necessity No. 337 to reflect the change from MCImetro Access Transmission Services, LLC to MCImetro Access Transmission Services, LLC dba Verizon Access Transmission Services.

ORDER

IT IS HEREBY ORDERED that Certificate of Public Convenience and Necessity No. 337 be amended to reflect the name change from MCImetro Access Transmission Services, LLC to MCImetro Access Transmission Services, LLC dba Verizon Access Transmission Services.

THIS IS A FINAL ORDER. Any person interested in this Order may petition for reconsideration within twenty-one (21) days of the service date of this Order with regard to any matter decided in this Order in Case No. MCM-T-03-1. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration. See *Idaho Code* §§ 61-626 and 62-619.

DONE by Order of the Idaho Public Utilities Commission at Boise, Idaho this 8th day of February 2006.
