TRANSMISSION SERVICE LLC - MCM-T-03-01

On January 8, 1998, MCI metro Access Transmission Services, Inc. (MCI metro ATS, Inc.) was issued Certificate of Public Convenience and Necessity No. 337 to provide local services in parts of the State of Idaho.

MCI Metro ATS Inc is a wholly-owned subsidiary of MCI WorldCom Network Services, Inc. It was transformed from a corporation into a limited liability company, and changed its name to MCI metro Access Transmission Services, LLC. There are no changes to management, operations or the costs and types of services offered to the public as a result of this corporate structure revision. MCI has filed a revised price list reflecting this name change and requested that its certificate be changed.

STAFF RECOMMENDATION
